

Angela Hallbauer: Buchstaben- und Anlautbilder-Arbeitsmaterial

Einführung

- Das Buchstaben- und Anlautbilder-Arbeitsmaterial orientiert sich an den **METACOM Buchstaben- und Anlautbildern**, wie sie auf der METACOM-Webseite zu finden sind.
Download: https://www.metacom-symbole.de/downloads/download_materialien.html
- Es enthält **Seiten mit Buchstaben und Symbolen**, **Seiten mit leeren Feldern** und **Seiten mit einem Schere-Symbol**.
- Das Arbeitsmaterial besteht aus je einem farbig und einem grau gerahmten Seitensatz. Man kann sich auch nur für eine der beiden Varianten entscheiden.

Herstellung

- Die benötigten Seiten ausdrucken und laminieren.
- Analog zu den belegten Feldern der **Seiten mit Buchstaben und Symbolen** auf die Felder der **Seiten mit leeren Feldern** weiches Klett kleben.
- Die einzelnen Karten der **Seiten mit einem Schere-Symbol** ausschneiden mit Haken-Klett versehen und auf den **Seiten mit leeren Feldern** (und weichem Klett) zuordnen.
- Sowohl die **Seiten mit Buchstaben und Symbolen** als auch die **Seiten mit leeren Feldern** können mit **AnyBook® Codes** versehen und besprochen werden. Hierfür sind die kleinen, runden Platzhalter am Ende jeder Zeile gedacht.

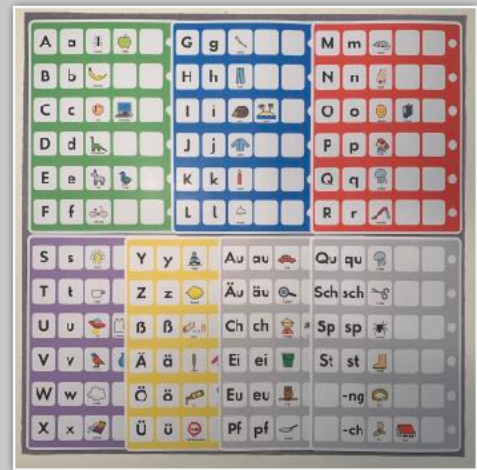

Anwendung

- Die **Seiten mit Buchstaben und Symbolen** können gut sichtbar aufgehängt, betrachtet und gemeinsam besprochen werden. Sie können auch zum Nachschauen genutzt werden.
- Die **Seiten mit leeren Feldern** sowie die **ausgeschnittenen Buchstaben- und Symbolkarten** können für diverse Zuordnungsaufgaben genutzt werden:
- Die Symbolkarten/Anlautbilder können den jeweiligen Buchstabenpaaren zugeordnet werden.
- Ebenso können die großen oder/und kleinen Buchstaben den Symbolkarten/Anlautbildern zugeordnet werden.
- Die kleinen können den großen Buchstaben oder die großen den kleinen Buchstaben zugeordnet werden.
- Die vorhandenen leeren Felder auf den einzelnen Seiten sind Platzhalter für persönlich bedeutsame Wörter, z.B. Namen aus der Familie/dem Freundeskreis, Lieblingsdinge usw.

Differenzierung

- Die **Seiten mit Buchstaben und Symbolen** können betrachtet und besprochen werden.
- Zunächst kann nur je eine einzelne Seite (max. 6 Buchstaben) angeboten werden.
- In der Gruppe kann jede/r nach den Buchstaben oder Symbolen/Anlautbildern fragen, die sie/er für die eigene Seite benötigt.

HINWEIS: Dies ist eine aktualisierte Version, bei der beim Buchstaben F Fahrrad durch Fenster ersetzt wurde, damit das Material auch in der Schweiz genutzt werden kann.
