Tier-Rätsel: Spielanleitung

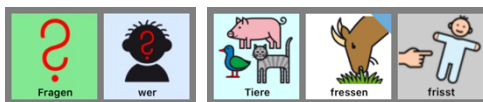

Es gibt in diesem Spiel blaue Tier-Karten und grüne Rätsel-Karten.

1. Verteilt die blauen Tier-Karten an alle, die mitspielen.
2. Legt die grünen Rätsel-Karten auf einen Stapel.
3. Wenn du an der Reihe bist, ziehst du eine Rätsel-Karte und liest sie vor.
4. Wenn die Karte zu deinem Tier passt, behältst du sie.
5. Wenn die Karte nicht zu deinem Tier passt, fragst du die anderen Personen.
Du gibst die Rätsel-Karte an eine Person, die ein Tier hat, das passt.
6. Danach zieht die nächste Person eine Rätsel-Karte.
7. Am Schluss zählt ihr eure Karten. Wer die meisten Karten hat, gewinnt das Spiel.
